Synopsis

"The Foreigner" is a comedy about a man who comes to a rooming house in the woods of Georgia for a little peace and quiet. To insure that his stay will be peaceful, his friend tells the owner that Charlie is a "ferigner" and mustn't be spoken to because he speaks no English. However, this charade begins to backfire when Charlie learns secrets he would rather not know! The situations that occur between Charlie and the rooming house guests make for an entertaining evening of comedy.
